

How Do We Educate to Live in Society?

*Keys for the challenge of
Comprehensive Education.*

Carlos Henríquez C.

Executive Secretary– *Agencia de Calidad de la Educación*

November 2017

The girls and boys who entered in 2016 to Pre-kinder will graduate from 12th grade in 2030. Some jobs are going to disappear and others are going to change, which makes it difficult to know the skills that will be required.

Education transmits and cultivates

Educación

Se puede

Doce prácticas de aula, desarrollo
profesional docente y liderazgo pedagógico

The School Improvement has a Name and Surname

*"Where there is a tree to plant, **plant it**. Where there is an error to amend, **amend it**.*

*Where there is an effort that everyone dodges, **do it**. Be the one who removes the stone from the road. "*

Gabriela Mistral
